Sir,

Subject: Completion report- Maintenance work- South Kanara District Mangalore Agumbe road M 22/0 to 33/0- 46-47 Excess over sanctioned Estimate- sanction requested-

I enclose a copy of the completion report for the above maintenance work of 46-47 for the approval of Government for the excess expenditure incurred over the sanctioned estimated cost of the work. The sanctioned estimated cost of the work is Rs.21000/- but the total expenditure incurred to complete the works is Rs.~~28848/-~~ Rs,28848/-. This has resulted in an excess expenditure of Rs.7848/- which is more than 25 per cent of the sanctioned estimated cost of the work. As per G.O. No. 413 P.W dated 17-2-47 approval of Government is necessary for the regularisation of this excess.

It is reported that the excess is due to 25 per cent tender preimum and also due to certain addtiional items of works which were found absolutely necessary during the actual execution of the maintenance work vide remarks inthe completion reports. The figures in the completion report have been verified with the figures in the Accountant General's office and found correct. The reasons for the excess as explained in the completion report may be accepted and sanction may be accorded to the excess expenditure referred to in the completion report.
